

Dear Guests, we would like to make your stay with us as pleasant as possible, and our wish is to give you a truly remarkable and unforgettable time.

We believe you will be satisfied with your choice of room and its interior will appeal to you at first sight.
The room's architect is Marek Jan Stepan from the Brno based 'Atelier Stepan' whose project for Café Fara won the prestigious National Prize for Architecture in the Grand Prix 2012 competition.

Included in the price of accommodation we have prepared

Concerts of various genres, live music and theatre performances are free for all our guests.

A visit to the neighbouring St. George church is a certainty.

In our Parish kitchen we prepare meals, various snacks and delicacies over the whole day. You can ask for the food and drink menu from the staff and try our traditional and non-traditional home cooking and special parish drinks.

You can visit our fragrant Parish shop where you can buy unique souvenirs, gifts and homemade delicacies and Austrian organic produce.

The whole Dziuban family and all their Café Fara team wish your family a pleasant stay.
